Dog In Cracked Glazed Terracotta After 1900, Bavent Normandy

500 EUR

Signature : Bavent

Period : 20th century

Condition : A restaurer

Material : Terracotta

Height : 38cm

Description

Lovely little dog in glazed and cracked terracotta, made after 1900, probably by the Bavent factory in Normandy. Its eyes are made of sulphide, I note that one front leg has been glued back on, one end of an ear is missing, and small pieces are missing in places, to be restored. Height: 38cm
