

## Louis XVI Period Ball Book

4 300 EUR

Period : 18th century

Condition : Parfait état

Material : Gold

### Description

Dance card also called Tablet Case. It is trapezoidal in shape. It opens with a hinge thanks to a small push button set with a ruby. It presents two miniatures in medallion: a young woman adorned with a necklace and wearing a red scarf on one side and a jar of flowers surrounded by a floral arabesque on the other side. It has a rich gold frame decorated with knots, baskets and garlands of flowers. The lid is decorated with two phylacteries: "souvenir" and "amitié". Height: 9 cm Gross weight: 63.1g French work from the Louis XVI period, rechecked with an eagle's head.
