

Roger Capron's Ear Vase

1 200 EUR

Period : 20th century

Condition : Très bon état

Width : 20

Height : 24

Description

Ear vase by Roger Capron, made at the beginning of his career in the late 1940s, in the Callis workshop (with Roger Picault and Jean Derval). He would revisit this model many times throughout his career with different sizes and patterns. The vase is not signed like some pieces from the beginning of his career. Very good condition
