

Plate With The Coat Of Arms Of St. John Of The Desert, 17th Century

400 EUR

Period : 17th century

Condition : Bon état

Material : Earthenware

Diameter : 21,5 cm

Description

Beautiful earthenware plate from St Jean du Désert, from the end of the 17th century, decorated in monochrome blue in the center with a coat of arms surmounted by a knight's helmet, and an interlacing frieze on the edge. The plate is overall in good condition, with no restorations or damage to its decoration, but has chips on the edges. Diameter: 21.5 cm
