Description

Three mid-19th century walnut chairs, very richly decorated with extremely fine, high-quality carvings typical of the Louis XVI style. Very solid and stable chairs in very good condition, as are the fabrics and upholstery. Very comfortable chairs with 2 armchairs with wide seats. I am presenting these 3 chairs together because they were covered in the same fabric, they are very similar in their architecture, their moldings and their walnut carvings. But this is not a strictly identical 3-piece living room and I can therefore sell these 3 chairs separately.The fabric can be changed to suit your taste, your interior design, and your expectations. Feel free to contact me for a consultation.
