### Description

Beautiful oil on panel by Tancrede Bastet (1858-1942), a well-referenced painter from Isère. Here he signs a very fresh and luminous work titled in his hand on the back of the panel "Pommiers en fleurs" Les Adrets (Isère), signed lower left. Very good condition of the painting, the gilded frame that accompanies it deserves a cleaning and small restorations on the missing parts (see photos). Frame: 50.5 x 42cm Work on view: 33.5 x 25.5cm Careful shipping
