Length : 30 cm

Width : 8 cm

Height : 15 cm

Description

Bas-relief in carved and gilded wood representing two cherubs joined together, their faces surrounded by a curl of wings. The treatment of the expressions and the suppleness of the locks evoke the Baroque style of the Comtat Venaissin. The ensemble recalls the works of Jacques Bernus (1650-1728), a sculptor active in Mazan, whose compositions mainly adorned altarpieces and religious decorations in the Carpentras region. No visible marking or signature, attribution based on style and
