

Wall Corner

600 EUR

Period : 18th century

Condition : Bon état

Material : Wood marquetry

Width : 40,5 cm

Height : 73 cm

Description

Rare veneered wall corner cupboard. The veneer is presentable but would benefit from a visit to the cabinetmaker. Latches and lock (no key) are period. Missing a hanging hook. The shelf trim, which needs to be reattached, is left in place, free to remove it or change the fabric. This is an object that has a lot of charm. Would complement a classic corner cupboard without bad taste.

Cupboard height 26 cm
