## French School 1900 : "the Neck"

1 500 EUR

Period : 20th century

Condition : Bon état

Material : Paper

### Description

French School 1900 : "The Bun", pastel 55 X 46 cm remounted in its beautiful period gilded sandblasted frame 78 X 68cm (some rubbing) by a "museum" mounting, pH neutral and fungicide.

This delightful pastel chooses an atypical approach to make a 3/4 rear portrait and turned in profile standing out against a window

overlooking the sea in a Hellenistic landscape,

thus highlighting the neck and the bun. The

signature having been partially erased (during the war? During an inheritance?), only the first name, Anne, an initial, "N" or "V", and the date 1900

remain. Do not hesitate to ask us for photos or additional information by email or telephone.
