Description

Wonderful one off custom hand made multiblade pocket folding knife. Each piece in this lobster style 4 blade knife has been hand forged and worked. Tortoise shell slabs have been derived from antique Victorian boxes. Pretty carved and scalloped shell scales with wonderful gold areas, over matching brass file worked scalloped liners, and brass pins. It is 8 cm long. Back marked on one of the blade *F&M*. The knife is very thin to allow an easy and comfortable carry. Comes with an handmade ostrich pouch. This 4 blade folding knife combines craftsmanship, care for details and great skill to be shaped. The materials used are unique and require care to be handled and mastery in the manufacturing procedures in order to craft an elegant and work of art.
