Description

Perpignan garnet marquise ring in 18 karat rose gold. Marquise-style ring, centered on a navette garnet, surrounded by 8 round garnets. The garnets are in the so-called "Perpignan" cut, a rose cut with a flat base. They have a beautiful raspberry-pink red color, typical of Perpignan garnets. The garnets are mounted on paillon and bezel-set. The setting is delicately decorated with triangular V-shaped figures on the edges, the base of the chatons is domed. The stones reflect a beautiful luminous sparkle. Regional ring, circa 1880, South-Eastern France. Owl hallmark (posterior) Ring size: 53 EU or 6.25 US (size adjustment possible) Condition: oxidation, scratches Weight: 3.56 gr
