Description

We are offering for sale this lovely painting, depicting a still life on an entablature, three poultry, a jug, a bottle and three lemons. This painting is signed with a name ending in a K, which we have not identified and we cannot see what kind of support this work was made on because we did not unframe it for fear of damaging it. It is possible that it is on wood but we cannot certify it. A beautiful composition, the painter is certainly German or a Flemish painter, very good condition. (E25)
