Description

Rare cut crystal bowl decorated with pine cones by Daum. It is very rare to see pieces from this famous house in cut crystal. Pretty bowl with needle branches and pine cones entirely wheel-cut all around the bowl. Note the shape with this small black heel and this flare with small collar. We are here in a style typical of the art-deco period. Perfect condition. Signed "Daum nancy "cross of Lorraine" France" on the heel, circa 1930. 12 cm in diameter. Very original piece, very well made, collectible due to its technique, rare at Daum
