Terracotta Wedding Couple Dieppe

250 EUR

Period : 19th century

Condition : Restauré

Material : Terracotta

Length : 11

Height : 13.5

Description

Young married couple (or engaged couple) in bust on terracotta pedestal, inscription "Dieppe" on the side, inscription "Qué biou jour!" on the front of the base. Beautiful patina, object with small restoration made by experienced restorer, the edge of the man's hat had a small chip. Beautiful facial expression, and fine details: we can see the seams of the man's frock coat. On the back, signature difficult to read and numbered 901
