

Louis XVI Provençal Console. Carved Walnut, Late 18th Century

1 600 EUR

Period : 18th century

Condition : Bon état

Material : Solid wood

Length : 109 cm

Width : 51 cm

Height : 78 cm

Description

Carved natural walnut table from the Louis XVI period, typical of the Provençal region, resting on four tapered, fluted legs. The apron features a laurel garland motif, while the legs are carved in a "barley grain" pattern, in keeping with the tradition of provincial workshops of the late 18th century. The original patina has been preserved. A sober and well-balanced piece, true to the regional Louis XVI style.
