Description

Pair of Neoclassical gilt bronze vases - F. Levillain & F. Barbedienne, 19th century
Rare pair of gilt bronze amphora vases, decorated with finely chiseled antique scenes: mythology, classical symbols and stylized decorations. They rest on tripod bases in red griotte marble, supported by winged lions with human heads, typical of the Neoclassical style. Signed F. Levillain and stamped with the stamp of F. Barbedienne, these vases embody the excellence of French artistic casting and the elegance inspired by Antiquity.
