450 EUR

Period : 19th century

Condition : Etat d'usage

Material : Bronze

### Description

Bronze Lion with Pearl - Japan, Meiji era (1868-1912) A beautiful creation. The lion's musculature is superbly rendered. The pearl on which the animal's left paw should rest is missing. We can hear small elements (a bit like sand) moving inside. There are some verdigris stains. Weight 5kg Length 30cm Height 24.5cm
