Description
-------------

This magnificent mid-20th century rug is from Kashmir, India. It is silk on silk, with a density of 480,000 knots per square meter. This piece measures 108 cm wide by 160 cm long. This rug is in very good condition despite its years, its colors are very fresh, the deep raspberry has kept its beautiful shine. The quality of these beautiful old silks is no longer to be demonstrated. One can only admire the work and the abundance of flowers, palms, framing a learned medallion accompanied by spandrels and borders of a complicated design. The region of Srinagar is where these wonders are produced and where they were produced, silk on silk or silk on cotton. Kashmir is not one of the major wool producing regions, hence the little use of this material. This rug has been cleaned in a professional and
