

## Bohemian Duo

650 EUR

Period : 19th century

Condition : En l'etat

Material : Terracotta

Height : 45

### Description

A picturesque evocation of the bohemian world with this polychrome terracotta duo, dating from the end of the 19th century. The man, wearing a hat and holding a violin, adopts a relaxed posture. At his side, an elegantly gaited, barefoot woman holds a tambourine and coins in her hand, symbolizing her role as a traveling musician. The original colors, well preserved, reinforce the realism of the expressions and costumes. No signature
