Description

Pair of Chinese porcelain plates made in the Canton province around 1820-1830, period of Emperor Daoguang. These 2 flat plates are decorated in the center with historical scenes with an emperor and dignitaries, the margins are typical of the luxurious production of this period, they are painted with the enamels of the famille rose of flowers, butterflies, kites, fruits like pomegranates, bats and other auspicious symbols. In addition, the mystery remains for me concerning the character in the last photo, perhaps one of the many characters Shou symbol of longevity. These plates measure 25cm in diameter. Concerning the condition, no restorations, no breakage or fel, only wear due to stacking over 200 years on the large plates. Delivery possible without risk of breakage by
