

Email From Limoges

1 500 EUR

Period : 19th century

Condition : Très bon état

Material : Enamel

Width : 49 cm

Height : 48 cm

Description

We present this rather exceptional piece of framed Limoges enamel, perfectly intact in its quadrilobed form and depicting Jesus before his crucifixion. He is surrounded by four figures, including two Roman centurions. The frame of this beautiful enamel is made of two materials, the central part in bronze and the outer part in oak, from the 19th century. (E25)
