Description

Elegant antique vase in thick emerald green and satin glass, decorated with a superb hand-enameled floral decoration and enhanced with gilding. Each side of the vase presents a unique composition: flowers, foliage and arabesques finely drawn in a style typical of the Art Nouveau period. The slightly iridescent effect of the glass and the shades of green evoke the natural play of light, highly sought after in the decorative arts of this period. The neck and bottom of the vase are highlighted with golden touches with a cloudy appearance, adding depth and charm. Dimensions: 25 cm
