Description

Large wooden lamp painted in cream, red, green and gold, 20th century. Fluted shaft. Square base. New electrification: gilded brass socket mounted on a ball joint for E27 screw bulb, new wire. The ball joint allows the lampshade to be positioned upright. The power supply is mounted inside the wooden base. Its eight-sided, Spanish square lampshade was created from a fabric from Pierre Frey "Comoglio" with butterfly decoration and a moire from Lelièvre. This lampshade shape has the advantage of not taking up volume because it is not very deep. Dimensions: Total height: 80 cm Height of the base without the socket: 50 cm Base: 13.5 cm x 13.5 cm Dimensions of the lampshade: 35 cm x 24 cm Possibility of sending: France / International For information purposes only, we systematically respond to all requests for
