

## Bohemian Crystal Enameled Cup - 19th Century

1 350 EUR

Period : 19th century

Condition : Très bon état

Material : Crystal

### Description

Bohemian crystal bowl dating from the 19th century, delicately hand-enameled. Its deep red hue is enhanced with finely carved gold and white floral motifs, typical of the glass art of this period. The finely chiseled, scalloped rim and worked foot give it a majestic appearance. A rare and decorative piece, perfect for lovers of antique objects or collectors. Height: 13 cm Condition: Very good condition for its age.
