

Fan-shaped Fireplace Screen

950 EUR

Signature : À définir

Period : 19th century

Condition : Très bon état

Material : Bronze

Length : 1,17

Height : 78

Description

Very beautiful large fireplace screen fan!
Fan-shaped model once the leaves are unfolded!
Lion decoration on the structure, beautiful quality work! In very good condition! Small adjustment to be made for the closure of the whole! 9 openwork leaves make up this screen! with dimensions of: 1.17 m length open and 78 cm height. Thickness 12 cm. Heavy by its bronze quality and stable by its balance! Visually very decorative! And very effective by its format!
