Description

Blown glass ball vase in shades of blue green, transparent. Sleek designVase by master glassmaker JC Novaro. He worked in BIOT. Great friend of Johnny Hallyday. JC NOVARO was passionate from a young age and his reputation slowly built up first in Paris with the great success of the lamp that lights up and down at the same time. His workshop is in Biot where he works on new techniques including the inclusion of gold and silver in his works. Then he opens a gallery in the lower part of his workshop. It was in 1987 that he achieved his greatest success during an exhibition at the Musée des Arts Décoratifs during which four of his pieces were selected by Jack Lang. He was then in demand all over the world: Japan, Belgium, United States.
