Description

18K Gold Ring with Orange Sapphire from Madagascar and Diamonds 18K gold ring set with a natural orange sapphire from Madagascar, oval cut, weighing 2.94 carats. This central stone, with its intense fire and rare hue, is surrounded by 10 brilliant-cut diamonds and two pear-cut diamonds, forming a dazzling and perfectly balanced setting. The sapphire is certified by the CGL laboratory (no. 31908), guaranteeing its origin and natural characteristics. Its warm radiance is enhanced by a refined setting, paved shoulders and a fine design. Stone Characteristics
