Description

Superb oil on canvas signed lower right and dated on the back of the painting 1972. Capturing an indoor dinner scene with a touch of refined abstraction. The characters, suggested with accuracy and poetry, stand out against a background of emerald green and dark hues, punctuated by bright touches evoking a cozy and intimate atmosphere. The treatment of colors, all in nuances and contrasts, demonstrates great pictorial mastery and gives this work a cinematic, almost mysterious atmosphere. The painting is in very good condition because it is protected by glass as for the frame it has suffered the ravages of time it would perhaps need to be changed or restored. canvas measurements: 50cm x 70cm
