Description

Elegant mahogany desk, flamed and mahogany veneer from the second half of the 19th century. Two-part piece of furniture. The upper part of the desk consists of three shelves, supported by columns, turned at the front and straight uprights at the back. The upper shelf is set on its sides with an openwork wooden gallery (the gallery at the front of the shelf is missing, see photo). Below, this desk also offers three cardboard storage compartments, with hinged fronts decorated with recently changed green leather) with brass pull rings. Thus four drawers in total. Please note that two lock with a key and that it is present. The lower part consists of a desk table, opening in the belt with two large drawers, one of which has storage compartments and a secret hatch. (no key) the top is covered with green

leather, decorated with small irons, intact (recently changed). This desk is decorated with two retractable writing tablets covered with leather in used condition. Small lack of veneer on one of them. See photo. This desk rests on a turned base. Perfect stability. Both elegant and functional. This desk will offer you several levels of storage as well as a beautiful work space. Please note, there are old restorations (level of the back of the shelf) and slight traces of use.
