

Pair Of Giant Jingdezhen Porcelain Vases

9 300 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Description

An impressive pair of giant porcelain vases from Jingdezhen, renowned as the porcelain capital of the world - a title it still holds today. Jingdezhen gained its prestige during the Yuan Dynasty, and even more so during the Ming Dynasty. From 1393 onwards, it became the official center of the imperial porcelain administration, a symbol of its excellence and international influence. Height: 195 cm
