Description

Circa 1890-1900 France Coupon in Mille raies cotton for the Provençal manufacture of shirts or petticoats. Very fine, tight plain weave that has retained its rigidity from new because it was never used. Its visual appearance with a white and red background of very fine herringbone stripes, gives an interesting kinetic aspect, highlighting the imperfections of the weave, entirely in cotton. Unused coupon dating from the Belle Epoque with its original selvedges. Without defects. Very good condition of color and preservation. Dimensions: 270 cm x 80 cm wide
