

Italian Piedmontese 1600s Gilt Frame

750 EUR

Period : 17th century

Condition : Etat d'usage

Material : Gilted wood

Diameter : cm. 17 (interieur 11)

Depth : cm. 2.5

Description

Piedmontese 1600s gilt circular frame with two orders of carving, one leafy inside and one beaded outside. In good state of preservation apart from minimal wear, it denotes a clear transverse gluing probably resulting from curving. The available internal size is 11 cm.
