

19th Century Indochina Silver Cane Knob

350 EUR

Period : 19th century

Condition : Très bon état

Material : Sterling silver

Height : 19 cm

Description

Superb and elegant solid silver cane knob. Indochinese work from the end of the 19th century, this cane knob is decorated on the upper and lower part with a floral and writing decoration and a geometric guilloché decoration at the very top. The top of the knob includes an Asian inscription and the core is made of wood. Quality work with very fine chiseling.
