

## Silver Metal Cooling Bucket

70 EUR

Period : 20th century

Condition : Etat d'usage

Material : Silver metal

Length : 33 cm

Width : 27 cm

Height : 12,5 cm

Description
-------------

Silver-plated metal cooling bucket, with a very pure line. It flares out at the top, highlighted by a net at its edge. Two handles make it easy to handle. The shape is similar to the models from the L XV period. The silver-plated metal is in good condition, note some oxidation inside (close-up photo) which does not affect its solidity. It can be used to display orchids or hyacinths. Period XX Shipping costs to France by Colissimo with tracking: 25 euros
