Mons 7000

without decoration fixed to the cap and the three secondary branches are united and decorated at the bottom with a cinquefoil ending with an acanthus leaf and at the top with an acanthus leaf emerging from a peduncle common to the three branches. Guard plate with a projecting edge, without quillon but ending with a tail in the shape of a fleur-de-lis and numbered below "110" (guard's number), it also bears a smaller punch under the guard "15". Wooden handle, it is tied then covered with chamois calfskin and a copper filigree. Curved blade with hollow side and fuller, the front face is engraved with the motto "GARDES / DU / CORPS / DE / MONSIEUR" framed at the top and bottom by a fleur-de-lis and near the heel by a military trophy. The other face is engraved with the Arms of Monsieur, a military trophy near the heel and above the face of the Sun on a background of radiant sun. It is signed on the back "Manufacture royale du Klingenthal mai 1816". Length 93 cm, width at the heel 3 cm.

Sheet steel scabbard with steel cup entry, bracelets, pitons and bail rings in gilded brass; the bracelets are plain framed by a simple protruding molding (H 1.4 cm). It is serialized on the back "161" and signed on the back "Manceaux". Steel dart in the shape of an ovoid button. Scabbard length 96.4 cm. Very good condition, uncleaned, gilding well present.
