Description

Kazunori Kawanishi : "Abstraction", oil on canvas 65 X 91 cm, mounted in an old blond wood frame 75 X 101 cm. Signed and dated 70 lower right. Little is known about Kazunori Kawanishi, except that he was a painter and engraver and that he was supported by the Galerie Mouffe active in the 70s in Paris V of which he has a fragment of label on the back of the frame. In the movement of these abstract artists of the third quarter of the twentieth century such as Marfaing, Barré or Zao Wou Ki, who are rediscovered today after a long purgatory, this beautiful abstraction, reworked by scratches and lyrical strokes is particularly highlighted by the frame. An enormous presence. Do not hesitate to ask us for photos or additional information by email or phone. Other photos and many other
