Description

Beautiful, fully modular Scandinavian-style shelf. The side metal supports are perforated over the entire height, allowing you to place the elements where you want and according to the desired spacing. There are three elements: a shelf (depth 34 cm), a display case with sliding doors (H 26 x W 96 x D 34 cm) and a two-door cabinet (H 46 x W 96 x D 44 cm) Good condition, needs a light cleaning. Note that holes have been drilled in the rear bottom of the cabinet, probably to pass hi-fi cables.
