Charcoal Drawing Of Young Woman By Hiem

650 EUR

Signature : HIEMS

Period : 20th century

Condition : Très bon état

Description

Large and pretty 20th century drawing of a young woman. This person is presented slightly undressed, revealing a breast and holding a bowl of fruit in her hands. Charcoal work shaded with black and brown, possibly African work, presented in a modern frame of good quality and signed lower left HIEMS.
