Description

Pair of hand-carved wooden capitals, featuring a subtly Orientalist style that draws from classical architectural themes. The decoration includes volutes, stylized acanthus leaves, and a central floral motif in relief, enhanced by a top border carved with a chevron pattern. Traces of light blue lacquer remain on the surface, adding a refined chromatic accent and suggesting an artistic interpretation of antique forms. The handcrafted nature and gentle wear add historical charm, making these pieces ideal for eclectic or boho-inspired interiors. Dimensions: 30 × 30 cm, height 28 cm.
