Description

Lovely pair of oils on panel depicting a farmyard scene. These panels are oval in shape, framed in gilded and molded wood. These paintings are signed by Jeanne Froment, an artist active in the late 19th and early 20th centuries. This artist usually worked on smaller formats than those we offer. She also painted sheep in a sheepfold. The details are painted with great care and precision. These oils on panel are under glass. This pair of panels is in good condition. Both are signed at the bottom. Dimensions: 46cm high, 37cm wide.
