

18th Century Polylobed Dish

110 EUR

Period : 18th century

Condition : Très bon état

Material : Earthenware

Diameter : 33 cm

Description

We present this rather large 18th century earthenware bowl, round in shape but multi-lobed with a blue flower in the center and a portour decorated in blue as well. We attribute it to Clermont-Ferrand, in good condition but we should point out a hair (crack) which prevents it from ringing clearly, an enamel leak also at the bottom. Weight 1.05 kg (E25)
