Description

Beautiful terracotta bust representing a mischievous and smiling faun. Very beautiful terracotta from the second half of the 19th century signed on the back Vallmitjana for Venanci Vallmitjana y Barnaby (1828-1919). This large bust of a mischievous and expressive faun is represented slightly turned three-quarters, it rests on a beautiful terracotta pedestal. The faun's face is very nicely treated with many details, particular care has been taken with this terracotta. He has a big smile, his eyes are very expressive, he is wearing a crown of grapes and vine branches. his pointed ears stand out from his hair and beard which blends with his hairy torso. he seems to come out of a bacchanal and has a little lewd side. the many details are very finely treated and despite his age he is in very good
