Description

These Medici bronze vases with a brown patina are presented here on a base to form a single decorative object. Fortunately enhanced with gilt bronze on the rim, foot, handles, and base, these vases elegantly reflect the codes of neoclassicism. Strings of pearls, oval friezes, palm motifs, a twisted laurel wreath, and ribbons enrich the aesthetic vocabulary, drawing a closer look at the Empire style. These Medici vases in patinated and gilt bronze are in perfect condition.
