Description

This extraordinary 18th-century Meissen porcelain mantel clock is a true masterpiece of craftsmanship and artistry from one of the world's most renowned porcelain manufacturers. Created during the height of Meissen's production, this piece represents both technical prowess and artistic beauty, making it a rare and highly collectible item. The clock features a stunning Rococo design, richly adorned with meticulously hand-painted details and elaborate porcelain flowers. Surrounding the clock face are delicately crafted cherubs, pastoral scenes, and lush floral arrangements in vibrant colors, all emblematic of Meissen's finest work. Every element, from the expressive figures to the intricate scrolls and floral motifs, has been executed with the utmost care, showcasing the skilled artistry of the

period. A key highlight of this clock is the inclusion of the original matching console, an extremely rare feature that significantly enhances its historical and artistic value. The console is equally adorned with floral motifs and complements the clock's opulent design perfectly, elevating its presence as a unified, monumental piece. The clock retains its original brass mechanism, visible through the rear opening, further confirming the authenticity and period of the piece. The bouquet of porcelain flowers crowning the structure is another testament to Meissen's dedication to both form and detail.

Rarity and Historical Significance:

18th-century Meissen porcelain clocks with their original consoles are exceptionally rare, making this piece a highly sought-after treasure for serious collectors of European fine arts and antiques. Its exquisite Rococo style and pristine craftsmanship make it a standout example of Meissen's legacy in porcelain artistry. The piece embodies the elegance and sophistication of the period, making it a museum-quality work of art suitable for the most discerning

collections.

Dimensions: Total height (including console): 72 cm
Clock dimensions: 60 x 29 x 16 cm
Console dimensions: 13 x 30 x 22 cm

This unique clock and console combination is an exceptional find, offering both beauty and historical significance. It would serve as a magnificent centerpiece in any high-end collection or fine interior.
