Description

Abstract composition on canvas dating from the end of the 20th century. Good mastery of colors. Signed lower right by Jacques Mary and notified self-portrait on the back. You have to give yourself time to enter his paintings, to find everything that is hidden there. Through colors, through the use of rites and symbols, Jacques Mary seeks to question many possibilities, even those that allow us to perceive the invisible. Not refusing a few truant escapes, his figurative expression sometimes reaches the confines of abstraction. Dimensions of the canvas 55 x 46 cm. Delivery possible by colissimo, very careful packaging with suitable protection, allow 30 euros for France, on estimate for other destinations. Contact me at 0678876161
