Description

Cut crystal wine decanter / whiskey decanter, Manufacture du Creusot, Empire Restoration period, early 19th century circa 1820. Carefully designed, cut with diamond points, cross-hatching and drapery motifs. Our decanter is in excellent condition, having been made nearly 200 years ago. It has the small imperfections of a production that remains very close to 18th century standards. Height: 30cm (23.2cm without stopper)
