Description

Six-light chandelier in gilded bronze, it has a central baluster culminating in a pine cone and decorated with leaf motifs and laurel branches; in the lower part it is adorned with a bunch of grapes. From the central structure depart six arms worked with leafy volutes, bearing as many lights. The supports, also in gilded bronze, are worked to emulate a love knot in the upper part, whose ribbons descend like draperies to support the chandelier. Signed under the arms "O. Lelièvre sculptor", "Susse fondeur éditeur, Paris".
