3 200 EUR

Period : 20th century

Condition : Très bon état

Material : Other

Width : 120

Height : 220

Description

Painted canvas, or decorative panel, representing stylized Japanese dancers. Contemporary work by French artists. Possibility of forming a pair with a canvas that we offer for sale here. Raw linen canvas hand painted with natural pigments and golden patterns made with copper leaf. Canvas stretched using two wooden sticks, the bottom one of which is removable, allowing it to be rolled up for transport.
