

Pair Of Crystal Vases

1 500 EUR

Period : 20th century

Condition : Bon état

Material : Crystal

Description

Refined pair of corolla vases made of high quality cut crystal, embellished with finely chiseled gilded bronze frames. The body, elegantly flared, features vertical ribbing with a central area decorated with a cold-engraved lozenge motif. The bases, also in cut crystal, are surmounted by gilded bronze frames decorated with pods and acanthus leaves, on a circular foot chiseled with plant motifs in Empire style. 20th century, France.
