

18th Century Mahogany Bookcase

4 300 EUR

Period : 18th century

Condition : Très bon état

Material : Mahogany

Width : 1,45m

Height : 1,92m

Depth : 0,37m

Description

Louis XVI mahogany bookcase from the 18th century. This very high-quality piece of furniture opens with two glass doors and rests on four legs finished with bronze shoes. The uprights are fluted and there are four original, adjustable shelves. The lock is also original. This bookcase is presented here with books but can also be used as a display case (see photos). The depth of the shelves is 31cm. Dimensions: 1.45m wide, 0.37m deep and 1.92m high. Delivery on quote.
